

Threephase Industrial vacuum

Powerful and strong industrial vacuums suitable for heavy duty and continuous use thanks also to the wide filtering area and the great container capacity. No need for maintenance and excellent performances in collecting high quantities of heavy materials, they are perfect for heavy industries such as foundries, cement or steel plants and so on. Special filters for the recovery of toxic dust or of hot substances available. What else can you request to an I-Vac?

- Manual or electric filter shaker
- Extractible container
- Easy to move No need for maintenance

15 HP power and ATEX certified for use in explosion-proof areas, that is 3907 series by Nilfisk-CFM.
