

# M17

## with Pro-Panel™ RIDE-ON SWEEPER-SCRUBBER

### Tennant M17 with Pro-Panel technology

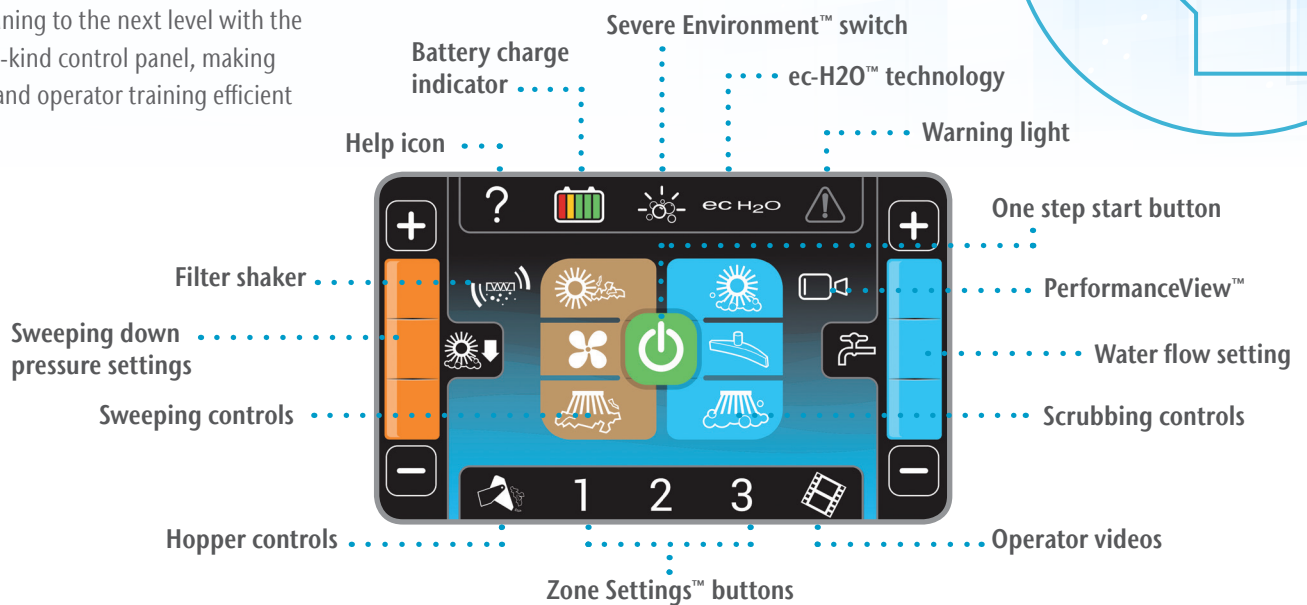

redefines the user experience. Pro-Panel technology integrates multiple controls into an intuitive, high-visibility touch screen interface.

TENNANT  
INNOVATION

### Pro-Panel Touch Screen

Takes cleaning to the next level with the first-of-its-kind control panel, making cleaning and operator training efficient and easy.

**PerformanceView™** – Provides operators an instant view of their cleaning path right from the driver's seat

**Pro-Check™ Checklists** – Ensure successful starts with downloadable pre-operation checklists

**Zone Settings™** – Allow supervisors to pre-configure the machine to clean individualized building areas

**Multiple Languages** – 28 different language options help increase machine ease-of-use

**Pro-ID™** – Gives the supervisor the ability to program the machine to the skill level of the operator and helps prevent unauthorised use

**On-board, On-demand Videos** – Make operator training and machine maintenance easy

**Delivering high performance, consistent results** for virtually any hard surface condition while lowering cleaning costs.
